

Who Owns What?

Electric Co-op Owned Equipment vs. Member-Owned Equipment

This graphic depicts equipment owned by the co-op (in gold) and the member (in blue). If a storm damages any equipment owned by the co-op, we are responsible for repairs. If a storm damages any member-owned equipment, the member is responsible for repairs. Members should hire a licensed electrician when making any repairs to member-owned equipment.

- Co-op owned
- Member-owned

Note: This graphic depicts overhead and underground service. Please be aware of which type of service you receive at your home or business. Anything past the meter on underground service is member-owned.
